

Dear Parents/Carers

Christmas Bazaar – Friday 7th December 2018 – 3:20 pm

We are all very much looking forward to the Christmas Bazaar on Friday. The PTA have worked extremely hard as usual to organise a great event which will include many exciting stalls and activities, the school choir will be singing and there will of course be a visit from Father Christmas!

Your child has been asked to make a donation to the Christmas Bazaar as per the letter previously sent out by the PTA, and are encouraged to wear something Christmassy to school on Friday 7th December, eg. Christmas jumpers, dresses, hats etc. Children do not need to wear school uniform but please could children wear appropriate footwear for a day in school.

Your child/children will have the opportunity to visit the bazaar during the afternoon of the 7th. If you wish your child to be able to purchase items at the Christmas Bazaar when they visit in the afternoon – please can you send them in with a small amount of money in a named purse or wallet. Year 6 children will be accompanying the younger children around the Bazaar in order to help and support them. The Children will return to their classrooms, in time to be dismissed at the usual time of 3:20 pm and they should be collected by parents/carers in the usual way. Children who attend wrap around will be sent there at 3:20 as per usual.

After school, we would like as many parents/carers to visit the bazaar with their children. We hope this will a busy event so please safeguard your children as they will be your responsibility afterschool as staff will be busy supporting the bazaar.

Entrance to the bazaar, once you have collected your children, will be through the KS2 playground, at the back of the school and through the double doors at the back of the hall. Father Christmas's Grotto will be in Bramble Lodge and weather permitting the choir will sing outside Bramble Lodge at 3:30 pm.

Thank you for your continuing support we are sure it is going to be a fantastic event.
