

Inclusion Statement – Hope and a Future for Every Child

At Kingskerswell Church of England Primary School, inclusion is not simply something we do — it is who we are.

Rooted in God's promise of "*a hope and a future*" (Jeremiah 29:11), our Christian vision calls us to recognise the unique worth, God-given potential and dignity of every child. We believe that every child is created to flourish, to belong, and to experience a rich and purposeful future.

Our Mission

Kingskerswell Church of England Primary School is a learning community where everyone can prosper and flourish in God's wisdom; where each person is known, loved and valued.

We celebrate the belief that God has a plan for each of us. Together, we pursue a hopeful future of '*life in all its fullness*', developing and sharing our God-given talents in the belief that anything is possible.

A Culture of Inclusion

We place *Hope and a Future* at the heart of our school community. Every pupil is welcomed, valued and celebrated, regardless of background, need, starting point or circumstance.

We are committed to removing barriers so that all children feel safe, known and included, and are equipped to thrive both academically and personally.

Achieve, Believe, Create

Our vision supports pupils to — *Achieve, Believe, Create* — and shapes our inclusive approach:

Achieve

We provide all children with access to high-quality teaching, enriching experiences and the support they need to succeed. We nurture curiosity, encourage exploration and build confidence to ask big questions.

Believe

We foster a culture where children believe in themselves and their ability to make a positive difference. We help them recognise their strengths, embrace challenge and develop resilience.

Create

We celebrate creativity, imagination and the joy of learning. Every child is supported to express themselves, experience awe and wonder, and appreciate the beauty of the world around them.

Rooted in Christian Values

Our commitment to inclusion is lived out through our core values:

- Love & Friendship
- Forgiveness
- Trust
- Respect
- Resilience
- Community

These values shape our relationships, guide our actions and ensure that every child is welcomed without judgement, supported with compassion and encouraged with hope.

Relational Spirituality and Belonging

We nurture relational spirituality by supporting children to develop meaningful connections with:

- **Themselves** – understanding who they are and what they need to flourish
- **Others** – showing empathy, kindness, fairness and friendship
- **The world around them** – recognising beauty, creativity and diversity
- **Something beyond** – exploring meaning, purpose and hope

These connections help children feel grounded, valued and truly seen, forming the foundation of our inclusive ethos.

A School Where Everyone Belongs

At Kingskerswell, we celebrate difference as a gift and embrace diversity as a strength. We strive to ensure that every child — including those with additional needs, disabilities or vulnerabilities — is fully included in all aspects of school life.

We work in close partnership with families and take a relational, restorative approach, ensuring every child is supported with care, compassion and understanding. Our decisions are rooted in the belief that each child is precious, capable and deserving of a hopeful future.

Our Commitment

Inclusion at Kingskerswell means:

- Every child is welcomed
- Every child is valued
- Every child is supported to flourish
- Every child is helped to discover their gifts
- Every child is encouraged to *Achieve, Believe and Create*

Guided by our Christian vision and lived through our daily actions, we are committed to building a school community where every child can grow into the person God created them to be — confident, compassionate and filled with hope.
