RE: School App

Dear Parents and Carers

Further to our communication in July regarding the closure of OurSchoolsApp, we are pleased to inform you that we are now using a new app called School Jotter.

On the back of this letter is the guidance on how to download the app. It is very simple; download the app 'School Jotter 3', search for 'Kingskerswell Primary School', select the school, and you are in. As previous, there is no personal or sensitive data on the app so this app is public to everybody. We will continue to use this to push notifications out about news and events.

We only signed up to the app this week so we haven't had chance to thoroughly navigate through it, but it appears very straight forward.. but please bear with us whilst we get this up and running and in full use.

If you have any questions at all, please get in touch with the school office.

Kind regards

Amy Vine
