Y3/4 A League Football Match

The Year 3/4 A team travelled to Bradley Barton Primary School on a cold afternoon in our second league match of the 2026-2027 campaign.

We started the game full of energy, a desire to compete for every loose ball and to score an early goal. We did just that and found ourselves 3-0 up through two outstanding finishes from Maxwell and a classic poacher's goal from Ellis. Taking an early lead and extending our lead to 3 with no reply meant we could make substitutions. Oscar came on and was such a cool/calm head both in attack and defence, making the right choice at the right time.

We didn't let our concentration and level of performance slip and Maxwell secured a first half hat-trick by nicking the ball off the opposition's centre back to nestle the ball into the bottom corner to make it 4-0. Unfortunately, we got caught in possession in our own half by trying to do the right thing but in the wrong part of the pitch, this resulted in the opposition getting a goal back to make it 4- 1 to us at half time.

We started the second half just how we started the first and did not take our foot off the accelerator, conceding just before half time lit a fire inside of us to go and push for more goals. This resulted in Maxwell getting another hat-trick (6 in total for him), the best of the bunch came from an excellent spell in possession with Maxwell showing some fine piece of skill to gain half a yard and he riffled it into the top right-hand corner to take our goal tally to 7. We were not done there, some excellent work in defence from Teddy who was the provider for Ellis' second and third of the afternoon (securing Ellis a hat-trick also).

To top it off, Archie (who had been involved in everything that was good about our performance today) came up with a screamer just inside the opposition's half to secure our second win of the season and make it two from two.

Sidney was awarded Man of the Match by the opposition for brilliant distribution and his willingness/bravery to play out from the back to start off our attacks.

The pupils displayed great teamwork, effort and were a credit to our school.
