Y3/4 A League Football Match

The Year 3/4 A team hosted Rydon Primary School in our first match of the 2026-2027 campaign.

We hit the ground running and started the game on the front with creating several chances within the first few minutes. This came from us dominating possession and being ruthless in front of goal. We therefore found ourselves 3-0 up through a brace for Ellis with two fantastically taken goals and a smart finish from Maxwell.

Going ahead so early on meant we had the luxury of rotating players and bringing fresh legs on. Harry and Jaxon came on and immediately made an impact by combining on the edge of the opposition's box and Harry calmly put us into a 4-0 lead. Our good fortune continued and Maxwell got his second of the afternoon from a clever through ball from our captain Archie to go into the half time break 5-0 up.

We started the second half where we left off and found ourselves 6-0 up through a brilliant team goal starting from our goalkeeper Sidney (who made some outstanding saves to keep the opposition out) into our midfield before finding Teddy in space on the right wing, he then found the back of the net to extend our lead.

Unfortunately, our concentration inevitably slipped having gone so far ahead and this led to Rydon getting a goal back and us not keeping a clean sheet. An unfortunate way to end a brilliant afternoon of football. We did not let this overshadow our joy when the full-time whistle went to secure our first win of the season.

Ellis was awarded Man of the Match by the opposition for his first half brace and his versatility in playing numerous positions across attacking line.

The pupils displayed great teamwork, effort and were a credit to our school.
