Y5/6 A League Football Match

The Year 5/6 A team hosted Shaldon Primary School in our first match of the 2026-2027 campaign. The start of a new season saw the spine of our team leave for secondary school, meaning five Y5s came into the squad to be alongside our regular starters from last year.

The game started a little scrappy with both teams not maximising the space out on the wings or in and behind on one another's back line. A few minutes passed to find our feet but we soon found ourselves consistently breaking the opposition's defensive line and having chance after chance, it was when an opening goal would come not if. Five minutes in, saw us take the lead through a well worked team goal and Percy got on the end of a perfectly waited through ball to make it 1-0 to us. One goal wasn't enough for us, and we were hungry for more. A second and third goal came through Jackson's well taken finish and Ollie deflecting the ball off a defender to find the opposite corner. Going 3-0 up meant we could make some substitutions and try out some different combinations in each unit of our team. George and Raplhie both came on and instantly made an impact by scoring a goal each, George running in behind to finish neatly and Raplhie powerfully striking the ball past the reach of their goalkeeper.

We started the second half a little sluggish and started to concede several chances, however Charlie (goalkeeper) made some brilliant saves to keep the game at 5-0 and fantastic defensive work from Blake and Noah meant we were able to retain our much-desired clean sheet.

If our afternoon couldn't get any better, it did with a fantastic free kick from outside the box, taken by Maxwell who found the top right-hand corner, what an unbelievable strike! We were over the moon when the full-time whistle went to win 6-0 and secure our first win of the season.

Maxwell was awarded Man of the Match by the opposition for his stunning free kick and his decision-making skills in both the defensive and attacking half.

The pupils displayed great teamwork, effort and were a credit to our school.
