### Half Marathon Final Mile!

Friday 19<sup>th</sup> May 2023

The children who have been running a mile each week over the past twelve weeks ran their final mile on Friday 19<sup>th</sup> May. At the end of their mile, the children were awarded their medals and were able to run through a huge inflatable in the middle of the field once they finished! Some teachers ran with the children around the field, helping to cheer the children on, along with their parents. Well done all of you!
