

Dear Parents and Carers,

If your child is performing in Aladdin next week, we would like them to return to school to get ready for the performances at 5:30 - 5:45 pm on Wednesday (12th) and Thursday (13th) evening - the shows will start at 7 pm and we envisage they will finish by 8:30 pm. Your children should be collected from the KS2 area after the performances. There is also a performance on Wednesday afternoon which starts at 2 pm we envisage that it will be finished by 3:20 but as children must change out of their costumes it may be a little later. Again, children can be collected from the KS2 area after the performance.

We would like to thank you again for the ongoing support you have given your children to take part in the production. The children in drama club have been working hard to perfect their roles and they are excited and looking forward to you seeing the results of their efforts.

We look forward to you joining us for the performances next week. The PTFA will be supporting the productions by organising the sale of refreshments - there will be a bar selling wine, beer, soft drinks and snacks.

Many thanks

The Drama Club Team
