Our thanks to all the staff and pupils who contributed to your wonderful harvest donation. It is so good to know that young people recognise that there are many people who are struggling to be able to put meals on their tables.

As you know, the cost-of-living crisis continues which sadly means we are seeing an increasing number of people needing our support. At the same time, food donations are decreasing meaning we need to buy-in more products to maintain our stock levels.

We are so appreciative of all those individuals and organisations who continue to support us – both with food and finances – without this generosity we could not assist those in greatest need in the local area.

With thanks

Yours sincerely
