

History Curriculum Road Map

Curriculum Plan

In EYFS history is embedded within our topics throughout the year using real life experience of history and books

In KS1 we teach history every term with a strong emphasis on chronology and timelines to help embed their historical development over time.

In KS2 we teach four to five history themes per phase,, taken from the NC. This ensures the key concepts are embedded and a balance of world and British history is taught that deepens understanding of the subject.
