Dear Karen,

Our thanks to all those who have donated towards your most generous donation for Christmas.

As you can imagine the continuing financial crisis is meaning we are seeing many people needing to come to us for support and, at the same time, donations are decreasing. Christmas is always a time when our claimants find things especially difficult and your donation will make a huge difference to local families.

We are so grateful to all the local businesses, organisations and people who continue to support us despite the difficulties we are all facing.

Our thanks for all the support you have given us throughout the year.

Hazel Harrison (Secretary)
On behalf of THAT
