

The Little Princess Trust

The Little Princess Trust provides real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment or to other conditions such as Alopecia.

The charity is also one of the largest funders of childhood cancer research in the UK. The Little Princess Trust relies solely on the generosity of its wonderful supporters who help the charity give Hair and Hope to so many children and young people with cancer each year.

I've been growing my hair for years until it was long enough to donate. 12.5 inches were cut on Monday 20th November. Please give generously so the trust have the money to fund making my hair into a wig for someone else.
