### DOEL CUP football tournament (Year 5 and 6)

Year 5 and 6 had their first opportunity of the year to take part in a competitive football tournament last week. Ten children from years 5 and 6 took part in the DOEL cup competition, run by Saints Southwest, with 17 local schools taking part and hoping to win the first piece of silverware of the season.

The team worked extremely hard and made their way through the group stage unbeaten, having only conceded one goal, but agonisingly missed out on the opportunity to progress to the cup finals on goal difference. It therefore meant our fate would be decided in the plate side of the draw.

The boys played fantastically well in the plate group games, remaining unbeaten and keeping a clean sheet throughout, scoring 10 points out of a possible 12. This meant we would meet Kingsteignton in the Plate final. Despite being the better team and creating the most chances, we were unable to break the deadlock.

Unfortunately, we were Runners up in the Plate final, losing on penalties.

The players displayed great teamwork and effort, and were a credit to our school.
