27th March 2024

Dear Headteacher

I hope I find you well and looking forward to the Easter break. I wanted to give you advance notice of the transition events and opportunities at Torquay Girls' Grammar School in the Summer term ahead.

We are pleased to inform you that we will be repeating our Free School Meal Taster days. Any students who attended from your school last year and are now in Year 4 or 5 are more than welcome to return, as we will be offering different subjects and activities.

The dates for these days are:

- **Thursday 13th June 2024** - Year 4.
- **Friday 14th June 2024** - Year 5.

Straight after Easter, we will send a separate letter with sign up details that you can pass on to appropriate families.

On **Thursday 20th June 2024** we are hosting, for up to 30 Year 5 students a Geology workshop day. This will be led by Mr Neighbour and our student leaders. We will be looking for girls who show a passion for Science and Geology who would be interested in an exciting day, exploring a cretaceous crime scene and our active world. A link to sign up to this day will be distributed after Easter.

Finally, we will be hosting a single transition day on **Thursday 4th July 2024** for all students who will be joining Torquay Girls' Grammar School, Year 7 in September 2024 and will be sending out, after Easter, requests for information so we can effectively plan our enhanced transition for appropriate students.

We look forward to working with you over the coming months. If you have any questions or would like to discuss the events in more detail, please do not hesitate to let me know.

Yours faithfully
