

# Dare to join a top Grammar School?

## It might not be as hard as you think...

If your son will be in year 6 in September 2024, you can now register to take the entrance tests for Torquay Boys' Grammar School.

Potential students will take two tests on Saturday 14 September 2024, one for Maths and one for English. The tests are designed to require no additional tutoring, and GL, the centre that runs the tests, has produced familiarisation and practice materials: these are available free to everyone, from the TBGS website: [tbgs.co.uk/join-us](https://tbgs.co.uk/join-us)

### Additional Support for Pupil Premium Students

However, if your son is in receipt of Pupil Premium, TBGS is pleased to be able to offer access to an additional online package of around 10-hours familiarisation material. If you indicate Pupil Premium on the application form, TBGS will send you a logon code especially for you, so you can access the material on the online platform hosted by Frog.

It has been shown that students with a glimmer of academic potential make more progress in schools such as TBGS, and this offer of PP support is part of their continued effort to encourage as many students as possible to consider them for secondary school.

To apply to take the tests, complete the online registration form: [tbgs.co.uk/join-us](https://tbgs.co.uk/join-us)

### Why you should dare to join us?

TBGS is renowned for providing students with:

- A top-quality, rich and varied curriculum, which enables academic progress, whilst encouraging inquisitive minds;
- A wide range of extra-curricular pursuits, and sporting opportunities, contributing to developing the whole person;
- A caring environment and strong pastoral system allowing the nurturing of academic excellence of each individual.

The essence of what TBGS strives to do is summarised in a clear mission statement; the purpose of Torquay Boys' Grammar School is:

- To enable students' enjoyment of learning for its own sake, whilst developing their creative talents to fulfil their intellectual potential;
- To provide individuals with the knowledge and skills to respond to a changing world with confidence and humility;
- To encourage each person to be reflective, open-minded and principled so that they can make a positive contribution to their community and the wider world.

Three key values underpin all things: excellence, integrity and leadership.
