Jeans for Genes Day - Friday 20th September 2024

Dear Parents & Carers,

Kingskerswell Church of England Primary School will be taking part in this year's Jeans for Genes 2024.

All children are invited to wear denim trousers or a denim skirt with their school uniform on Friday 20th September 2024. We'd really love to see as many classes and children as possible in their jeans.

If you would like your child/children to take part in our fundraising day, please could you make an online donation of £1 per child via your school money account by Wednesday 18th September 2024.

1 in 25 children (on average one child per classroom) has a genetic condition that makes their life very challenging. Jeans for Genes works with schools, companies and individuals all over the UK to help services and support for the children and their families affected by genetic conditions.

Together, through fund and awareness raising, we can help make a real difference to their lives. of millions of people across the UK with a life-altering genetic condition.

Thank you for your continued support.

Yours faithfully,

Michael Johnson
Year 2 (Polar Bear) Class Teacher
