

Please pass our thanks to all those who contributed to your Harvest Festival donation. We are most grateful for your support. It is lovely to know that your pupils realise that there is need in their local area and responded in such a positive way.

We had a busy summer providing lunch bags for children who usually received school dinners, in addition to our usual provision of food, hygiene and cleaning packs, gas & electricity top-ups and home start packs.

As you know we rely on volunteers who donate their time freely and shops, organisations and individuals who donate items/money to enable us to help those in food poverty in the local area.

Should any of the families within your school require assistance please do refer them to us and we'll be happy to support them.

With grateful thanks
