REF: Freckles Year 4,5 & 6

Dear Parents/Carers,

I hope this letter finds you well. We are writing to inform you about an important change regarding our mathematics provision.

After careful consideration and review, we have decided to discontinue the use of the Freckles Maths at our school, from February half term. This decision was not made lightly, but due to the high costs associated with the program, we believe it is in the best interest of our school community to explore more cost-effective alternatives.

We understand that this may come as a disappointment to some of our pupils and parents who have found value in Freckles Maths. Please be assured that we are committed to providing high-quality educational resources that align with our curriculum goals and current budget constraints.

We appreciate your understanding and continued support in providing the best possible education for our pupils. If you have any questions or need further information, please do not hesitate to contact us.

Thank you for your cooperation.

Kind regards,

Karen Strachan
Acting Head Teacher

Jo Perrott
Maths Leader
