Monday 10th February

2025

Dear Parents/Carers,

Science Week is quickly approaching and as part of our curriculum, we have invited Animals 2 U South West to visit us with some of their animals and reptiles for **every class**.

The workshops will take place between Monday 10th March and Friday 14th March 2025.

During the workshop, the children will get to meet some reptiles and mammals. They will also get to hear first hand from a zoological expert about how the animals are cared for. They will be able to ask questions about the animals and also find out about their habitats. All animals are supervised by an educational officer and children will be given the opportunity to handle the animals if they wish to.

This is a fabulous opportunity for children to see and handle some animals that they may not see in the wild. The cost of this workshop will be £3.60 per child. **Please pay via School Money by the Friday 7th March 2025.**

If your child has an allergy to fur, please indicate at the bottom of the letter. Please let us know if it is a specific fur allergy otherwise, we will treat it as a general fur allergy and ensure that they are not exposed to any furry animals. **Please return the slip by Friday 7th March 2025.**

Kind regards,

Mrs Jen Ariss

Science Lead and Year 5 Teacher

I confirm that I have parental responsibility for Year/Class and agree for him/her to take part in the **Science Week Animal Workshop**.

My child does/does not have a fur allergy (delete as appropriate). If your child does have a fur allergy, please specify below:

Name..... Signed Date
