

## Achieve, Believe and Create Together

Jeremiah 29:11 'For I know the plans I have for you, plans to prosper you and not harm you, plans to give you hope and a future.'

Our Netball team played a friendly netball match against Blackpool Primary School on Monday 3<sup>rd</sup> March 2025. The girls defended brilliantly against Blackpool and were put through their paces by the opposite team's quick passing. However, after the halfway mark, we pushed back and scored more goals, intercepting more confidently. The final score was 12-8 to Blackpool, but it was a great game to watch. Well done.
