Dear Parents/Carers,

As we move into spring, we are starting to get the school gardens ready for summer.

This year we are celebrating National Gardening Week at school. Every child who donates a plant can wear non uniform on their gardening day. All children who donate plants will have the opportunity on their gardening day to help in the gardens and plant their plant.

Gardening will replace Forest School during this two week period. We will be joining forces with Maestro to take the whole class out into the garden and to give the children the opportunity to learn Spanish vocabulary linked to our gardening projects.

All children can come in wearing **non-uniform** on their gardening day, in exchange for donating a **plant**. Please can they also bring their **waterproof trousers, coats, and wellies**.

Gardening fortnight will run from **Tuesday 22<sup>nd</sup> April – Thursday 1<sup>st</sup> May** with different classes helping each day. Due to the April Bank Holiday, **Polar Bear class and Giraffe class will have their sessions before the Easter holidays**.
