

Dear Parents and Carers

I am writing to inform you of some upcoming price increases.

We have been fortunate over the years to keep our meal prices and extended services charges relatively low despite inflation. We are now in a position where we will need to increase our charges to help with growing inflation to ensure affordability for the school.

With effect from the 1<sup>st</sup> September 2025, price increases will be as follows:

School meals £2.75 (30p increase)

Breakfast club £3.50 (50p increase)

After School club £8.50 (£1 increase)

Holiday club £30 (£4/£2 increase)

Our meal charges will fall in line with majority of local primary schools but our extended services charges are still quite below average compared to other schools.

Thank you as always for your continued support.

Kind regards

Amy Vine
