# PTFA Lite

Does the thought of joining the PTFA break you out in a sweat? Feel like you can't commit to joining the committee, but still want to help when you can?

## Introducing..... PTFA Lite

We have a dedicated group, where any small jobs that need completing will be added. If you can help that's great, if not - next time! No pressure, just help when you can. If this is of interest to you, please email your name and mobile phone number to:
