### Y5/6 Football League Fixture

The Year 5/6 football team kicked off their league campaign with a positive 8-1 win against Shaldon Primary School.

The first half saw chances created at both ends, with our goalkeeper- Freddie making some fantastic saves and our defence of Max, Tommy, Noah and Lucas showing some great defending to keep our clean sheet before half time.

In the second half, Kingskerswell started to dominate possession and worked tirelessly in tricky conditions to press higher up the pitch and win the ball closer to Shaldon's goal. Our persistence paid off with us counter attacking on numerous occasions to take control of the game with Charlie and Jackson both picking up hat-tricks and James scoring a brace.

An excellent Man of the Match performance by Jack meant we were able to limit Shaldon's attacks and time in possession. Great way to start our league campaign and pick up all three points.

The pupils displayed great teamwork and effort and were a credit to our school.
