### TUFC - National League Trust football tournament (Year 5 and 6)

Year 5 and 6 had their first opportunity of the year to take part in a competitive football tournament last week. 9 children from years 5 and 6 took part in the National League Trust cup tournament, hosted by Torquay United Community Sports Trust, with 13 local schools taking part and hoping to win the first piece of silverware of the season.

The team worked extremely hard and only conceded one goal in five games during the group stage of the tournament, winning two, drawing two and losing only one. The boys played fantastically well in the group games, remaining unbeaten in four out of five games and only losing 1-0 to one of the finalist teams. Despite playing some fantastic football, we unfortunately did not accumulate enough points to qualify for the knock-out stages of the tournament.

The players proudly displayed great teamwork and effort and were a credit to our school.
