EFL Utilita Kids Cup football tournament (Year 5 and 6)

Year 5 and 6 had their second competitive football tournament of the year this week. Nine children from years 5 and 6 took part in the EFL Utilita Kids Cup, run by Exeter City Community Trust, with 16 schools from across the county taking part and hoping to win our first piece of silverware of the season.

The team had a fantastic desire to defend and only conceded one goal during the group stages, despite our best efforts we were unable to break the deadlock and score in our first five games. This meant we had to win our last two group games to progress to the cup side of the draw. With the pressure on we stepped up when we needed to, winning 3-0 and 2-0 to sneak into the quarter finals.

The boys played fantastically well, making their way through the quarter finals (winning 1-0) and the semi-finals (on penalties) to make it to the final against Chudleigh. The final started perfectly with the boys able to contain Chudleigh's possession and limit their chances before a brilliantly worked corner resulted in us heading the ball in from close range to go 1-0 up. Unfortunately, Chudleigh were able to pull a goal back to make it 1-1 and went on to beat us on penalties.

The players proudly displayed great teamwork and effort and were a credit to our school.
