Year 5 and 6 'B League' Match

Our second Year 5 and 6 football team competed in the 'B league' football fixture against Blackpool Primary School on a very cold Tuesday evening.

On a very tricky pitch, the team took total early control of the game, with a breakaway goal by Nicky.

As we fought the setting sun, the team worked incredibly hard, in an evenly fought game to eventually come away with a 1-0 win. There were some close moments at either end with Nicky, Hector and Oscar coming close to extending our lead on a number of occasions. At the other end, some excellent defending by Archie, Freddie and Noah, as well as a fantastic performance by goalkeeper, Blake ensured that we were able to hold on for the win.

With no substitutes, the players put in a huge effort to come away with a deserved win. The opposing team chose Nicky as player of the match - deservedly so!

On to the next match!
