Y5/6 A League Football Match

The Year 5/6 A team travelled to Blackpool C of E Primary School on a crisp, cold afternoon for our final league game of 2025.

The first half started with us high in confidence and showing our competitive nature by dominating the ball in the opposition's half. Despite our high possession, we initially struggled to adjust to the playing surface before recognising that we needed to move the ball more and play passes in behind to create more goalscoring opportunities. Our persistence paid off with two well worked goals that came down our left-hand side through our strikers James and Charlie combining well to end in Charlie scoring both. Some fantastic and fluid passing through our units via our centre midfielder Jack, resulted in our left-wing back Noah scoring a brilliant goal from outside of the box in the top right corner to make it 3-0 at half time.

Second half saw substitutes come on and a change of personnel in new positions to try different combinations. This was a bit of a challenge to start with, but Max started to control the play through the middle of the pitch, Lucas provided calmness in our build up play and Jackson provided a threat upfront with numerous chances created. Despite this, we struggled to add to our lead before a perfectly weighted pass from our goalkeeper Freddie resulted in Charlie poking the ball through the keeper's legs to make it 4-0. We remained focussed to keep a clean sheet with our centre back Tommy intercepting a number of their through balls and minimising their possession in our half. This led to Tommy regaining possession just inside our half to release Charlie in behind to counter-attack and score our final goal (a brilliant way to round off an almost perfect team performance and Charlie be rewarded with Man of the Match by the opposition).

The pupils displayed great teamwork, effort and were a credit to our school.
