Year 5/6 Football Match

On Monday 19th January, our Year 5/6 football team played against Blackpool Primary School. The girls had to adjust their playing to the challenging surface of the pitch, but once they did, we had good possession of the ball. Evie attempted several shots but fell short in a number of these until she scored a goal before half time, the score being 2-1 to Blackpool. The second half of the game showed good focus. Iona and Millie swapped positions in goal giving the team extra support mid field where Millie ran quickly up and down the pitch to help drive the ball forward. Blackpool snuck in another 2 goals in the second half, finishing with a 4-1 loss. Great effort girls!
