REF: Freckles Year 4,5 & 6

Dear Parents and Carers,

I am writing to inform you of an important change to our mathematics provision.

After careful consideration and review, we have made the decision to discontinue the use of *Freckle Maths* at our school from February half term. This was not an easy decision; however, due to the rising costs associated with the programme, we feel it is in the best interests of our school community to explore more cost-effective alternatives. Last year, the PTFA were kind enough to subsidise the subscription, but unfortunately this is not a sustainable long-term solution.

We understand that this change may be disappointing for some pupils and families who have found *Freckle Maths* beneficial. Please be assured that we remain fully committed to providing high-quality educational resources that support our curriculum and meet the needs of all learners, while also ensuring responsible use of the school's budget.

As part of this commitment, we are pleased to share that pupils in Year 3 and Year 5 will be taking part in a trial of a new app called *Maths Zoo* during March. This trial will help us evaluate whether the resource aligns with our curriculum and provides effective support for pupils' learning.

Thank you for your understanding and continued support as we work to provide the best possible education for our pupils. If you have any questions or would like further information, please do not hesitate to contact us.

Kind regards,

Jeremiah 29:11

For I know the plans I have for you, plans to prosper you and not to harm you, plans to give you **HOPE** and a **FUTURE**.

Karen Strachan
Head Teacher
