Y5/6 Frank Burley Trophy

The Year 5/6 football team hosted Ipplepen Primary School at Devon FA in the quarter finals of the Frank Burley Trophy.

The first half started with us dictating possession and the pace of the game which allowed us to create several chances on the opposition's goal within the first 5-10 minutes. We initially became frustrated with our chances not resulting in a goal, but our persistence paid off with good passing combinations between our front four resulting in James scoring from close range to make it 1-0 to Kingskerswell at half time.

Second half saw us step up our performance levels and we recognised that for us to convert more chances into goals, we needed to move the ball a lot quicker and test the opposition's goalkeeper. This tactic prevailed and James picked up 2 goals to complete his hat-trick. One coming through a quick throw in from Jackson (Man of the Match) to Jack who combined well with Charlie who squared the ball to James on the back post.

Another came from excellent sweeping up from our defensive midfielder Jack, who combined with Tommy and he played a ball in behind for James to finish in the bottom left-hand corner.

We remained focussed to keep a clean sheet with our goal-keeper Freddie making a number of key saves to keep the opposition out. This led to our fourth and final goal converted by Charlie which was made with a fantastic well timed pass by our right winger Noah. A brilliant way to round off a perfect team performance and book our place in the Semi-Finals of the Frank Burley Trophy.

The pupils displayed great teamwork, effort and were a credit to our school.
