

## KS2 Girls Football Festival

On Tuesday 2<sup>nd</sup> March, a mixture of Year 3-6 girls attended a football festival organised by Exeter City. The girls started off the morning playing some friendly matches against other schools. They won 2 out of the 5 matches, Alice scored many of these goals. They then had a go at some skills-based activities, before ending the day with a Q&A with Exeter City football player Sophie Gillies and football manager Abbie Britton. The girls had their shin pads or boots signed by Sophie and Abbie if they wanted to. May also received a medal after showing fantastic teamwork skills and a supportive attitude. Well done girls!
