

Torbay Bee Netball Competition 2026

Our netball team took part in a netball competition at Paignton Academy Sports Hub on Monday 16th March. Team A and B played against eight other local Torbay schools. The girls played for 2x five minute halves with a two-minute break. At half time the girls rotated their positions, which can be confusing! Team A won 4 out of their 8 games, whilst Team B won 6 games, lost one and drew another. Both teams played incredibly well and supported one another throughout the day. Team B successfully came 2nd in their competition, winning silver medals. Darcey received the '**Kingskerswell Player of the Match**' award for believing in herself and showing resilience. Well done girls, you were brilliant!
