Y5/6 Football Match - A League Semi-Final

After progressing through our final A league game of the season with an impressive 4-1 win against Hazeldown Primary School, meant we finished second in the table with 6 games played, winning 5 and only losing 1. Therefore, setting up a semi-final draw against Chudleigh CE Community Primary School.

The first half started with us showing our intent from the very first whistle, remaining in our shape, being disciplined in defence and breaking with speed to counter-attack. Each and every player worked extremely hard to nullify the opposition's opportunities and time on the ball meaning they had no time to settle or get into any kind of rhythm with their attack.

Our desire to defend, willingness to keep running and ruthlessness paid off with Charlie (MOTM) claiming a brace (one impressive team move & a smartly timed finish) and Tommy intelligently catching the opposition's keeper off his line to chip him from our own half. 3-0 up is exactly what we deserved. Unfortunately, a little lapse in concentration allowed Chudleigh back into the game to make it 3-1 on the stroke of half time.

The second half saw Chudleigh start more brightly as they tried to chase the game with Freddie (our GK) making two outstanding saves. Our determination to track back and not concede meant we frustrated the opposition. Fantastic overall play from our two wingers - James and Jackson allowed us to protect our lead out of possession, try to turn over possession and counter-attack quickly and should have resulted in us scoring more. Two very mature performances from our fullbacks - Max and Jack allowed us to show variety to our attack, whether that was building up our play through the thirds or playing balls in behind to counteract the opposition's press.

A hard-fought performance rewarded us with a 3-1 win and a place in the final to attempt to win the Teignbridge District Schools A League, something we haven't been able to do since 2022.

The players proudly displayed great teamwork and effort and were a credit to our school.
